MARYLAND IN DOUBT

STATE SECRETARY MAY HAVE TO
DECIDE WHICH PARTY HAS
BEEN VICTORIOUS.

MARGIN WILL BE VERY SMALL

NEITHER SIDE LIKELY TO WIN
OUT BY MORE THAN ONE
HUNDRED VOTES.

Baltimore, Nov. 11.—The official returns received up to a late hour indicate that the vote for the presidential candidates in Maryland last Tuesday was very close, possibly 100 on either side. It is probable that Secretary of State Oswald Tighman will be called upon to decide which of the electors will be entitled to cast their votes in Washington.

The board of canvassers in Baltimore city and in the twenty-three counties of the state met at noon Thursday. In Baltimore the votes cast in the Third congressional district were counted, but the totals were not made public. While Congressman Frank Wachter was admittedly re-elected, the vote on the presidential ticket is left in doubt.

From the official returns thus far received the indications are that the Republicans have elected seven electors and the Democrats one.

Returns received from eleven counties of the state give the Republican electors a plurality of 174. Until the canvassing boards of the several counties and of Baltimore shall have examined and counted the ballots, it will be impossible to say which of the presidential candidates will receive Maryland's electoral vote.

There is no change in the congressional situation, the Democrats and Republicans each having elected three members of the next house of representatives.

WILL REACH 2,000,000

PRESIDENT ROOSEVELT'S POPU-
LAR PLURALITY STILL ON
THE INCREASE.

New York, Nov. 11.—After election interest has suddenly centered upon Maryland by the announcement that that state, already conceded to the Republicans, is now in doubt. Late returns have reduced Roosevelt's plurality to the narrow figure of 126 and it will take the official count to determine whether Maryland will be placed in the Republican or Democratic column.

There is also possibility that the state's electoral vote will be divided. Beyond the situation in Maryland and the fact that it is now admitted Roosevelt carried Missouri, in which state the legislature is also Republican, the day's election news is devoid of feature.

Returns show steadily increasing Republican pluralities and it now seems probable that Roosevelt's plurality in the popular vote will be, in round numbers, 2,000,000.

BY OVER FIFTEEN THOUSAND.

President Roosevelt Carries the State
of Missouri.

St. Louis, Nov. 11.—With seven counties still to be heard from, the returns show that Roosevelt's plurality in Missouri is 15,755. Of the seven counties unheard from six went for Bryan in 1900. They are remote and sparsely settled.

With the returns from nine counties missing, Joseph W. Folk's plurality for governor is 34,883. Figures on the remainder of the Democratic ticket are still lacking. At Democratic state headquarters it is said that only one-third of the returns from the state on the rest of the state ticket has been received. It was contended that the state ticket might not be defeated. No claims were made concerning the complexion of the legislature. In fact, little comment was made outside of the plain statement that the legislature will be Republican.

Republican Chairman Niedringhaus conceded that Folk has been elected governor, but said that there was not the least doubt but that the rest of the Democratic state ticket had been defeated. He said:

"The Republicans will have a majority in the state legislature, on joint ballot of at least fourteen and perhaps twenty. This means the election of a Republican senator to succeed Cockrell. Republicans have elected eight of the sixteen congressmen, possibly nine."

BLIZZARD IN NEBRASKA.

Fierce Snow Storm Raging Over
Northern Part of State.

Omaha, Nov. 11.—A fierce snow storm, which began late Wednesday night, continued over the northern and northeastern portion of Nebraska Thursday. A dispatch from Norfolk said it increased in fury, reaching the proportions of a blizzard. The temperature has fallen below the freezing point.

PEABODY ADMITS DEFEAT.

But Colorado's Governor May Contest
on Ground of Fraud.

Denver, Nov. 11.—Governor H. Peabody, Rep., concedes his defeat. Alva Adams' plurality over Peabody in the city and county of Denver, is 5,071 and in the entire state about 10,000. Republicans still claim a plurality for Peabody in the state outside of Denver, but the returns, which are still incomplete, are still in doubt.

The Republicans will probably secure all the other state offices, though in some cases their pluralities are small.

John F. Shafroth, Dem., is apparently elected congressman at large. Robert W. Boynge and Herschel M. Hogg, both Republicans, are elected to congress.

Both sides are claiming the legislature and the result will be in doubt until the official count is made in Denver and Pueblo.

At a meeting of Republican candidates and party leaders Thursday it was decided immediately to begin a contest for the places of all the Democrats who had been elected in Colorado on the face of the returns. An effort will be made to seat all the Republicans from governor down. The question will be carried into the courts on the claim that the state Democrats were elected by glaring frauds in Denver.

THE LARGEST IN HISTORY.

Roosevelt's Plurality in Pennsylvania
Breaks all Records.

Philadelphia, Nov. 11.—Complete though unofficial figures received from every county in the state with the exception of Allegheny, in which Pittsburgh is situated, but from where a close estimate has been obtained, show that President Roosevelt's plurality in Pennsylvania has reached 494,525, probably the largest plurality ever given a presidential candidate by any state in the political history of the country. President Roosevelt's total vote, according to figures at hand, is 830,125, and Judge Parker's 335,600. McKinley's total vote in 1900 was 712,665 and Bryan's 424,232. The city of Philadelphia gives Roosevelt a total of 227,693 out of 280,713 votes cast for all candidates.

Incomplete figures from all counties in the state give Elkin, Rep., a plurality of about 410,000 over Thompson for supreme court judge.

BABCOCK PROBABLY ELECTED.

Official Count Only Can Determine
His Plurality.

Milwaukee, Nov. 11.—Secretary F. R. Bentley of the Stalwart Republican faction stated last night that the returns received by him from every precinct in the Third congressional district show that Congressman Joseph W. Babcock is re-elected beyond the shadow of a doubt, and that his plurality is 249. Mr. Bentley's figures show that Babcock carried Sauk, Crawford, Richland and Juneau counties and that his opponent, Herman Grotphorst, Dem., carried Iowa, Grant and Vernon counties.

Chairman J. B. Ashley of the Third district Republican committee wired from Baraboo that Babcock's plurality is 225. Reports received by the La-follette committee cut the plurality down to 25. The opinion is now general that Babcock is elected, but by what plurality only the official count can determine.

JOHNSON FOR GOVERNOR.

Democratic Candidate Still in the
Lead in Minnesota.

St. Paul, Nov. 11.—John A. Johnson's plurality over R. C. Dunn for governor gained materially when further returns from Hennepin county came in yesterday. With seven city precincts and six county precincts missing, Hennepin gave Johnson, Dem., a plurality of 7,788 votes, and the missing returns will bring his total to considerably more than 8,000.

Returns from some other counties, however, reduced Mr. Johnson's lead, but he still has about 13,000, which will not be changed much either way. Roosevelt's plurality is growing and may reach 125,000. He carried every county in the state, including Stearns, a Democratic stronghold.

Erroneous returns by messengers in Ramsey county may make an official count necessary to determine the successful candidates on the county ticket.

N. F. Hugo, Rep., of Duluth is said to be slated for speaker of the next house of representatives of this state.

RESULT IN WEST VIRGINIA.

Roosevelt Carried the State by Over
Twenty-five Thousand.

Parkersburg, W. Va., Nov. 11.—The official returns for West Virginia are not yet in, but from the returns received Roosevelt's plurality in the state is placed at from 25,000 to 30,000. The Republican state committee claims the election of W. M. O. Dawson, Rep., for governor, by a plurality of 9,000. The Democratic state committee concedes his election by about 5,000. The legislature will be overwhelmingly Republican in both branches, the Democrats having only six out of thirty senators.

OHIO NOW STANDS THIRD.

Gives an Enormous Plurality to Presi-
dent Roosevelt.

Columbus, O., Nov. 11.—Ohio now stands third in Republican pluralities, nearly complete returns showing close to 250,000 plurality for the Roosevelt and Fairbanks electors. Only 18 out of the 80 counties in the state were carried for Parker, and only 1 Democratic congressman was elected out of 21. Chairman Harvey Garber, the Democratic candidate in the Fourth district, has 1,600 plurality in a district normally 6,000 Democratic.

TO END THE CONFLICT

FRANCE AND GREAT BRITAIN MAY
PROPOSE MEDIATION TO RUS-
SIA AND JAPAN.

IN NO MOOD FOR ARBITRATION

RUSSIA WANTS TO END THE WAR
IN THE FAR EAST BY FORCE
OF ARMS ALONE.

London, Nov. 11.—The Post's Paris correspondent says: "It is rumored in political circles that the presentation of an Anglo-French note to Russia is under serious consideration at the French foreign office. M. Cambon, French ambassador in London, has come to Paris, it is stated, at Minister Delcasse's request to confer with the government on the question."

WILL BROOK NO MEDIATION.

Russia Wants to End Oriental War
Only by Force of Arms.

Washington, Nov. 11.—Emphatically, but with all courtesy, Russia through her ambassadors abroad has several times informed the neutral powers that she will brook no mediation at this time in her war with Japan. It can be announced that Russia expects her wishes will be respected by all the powers to which she has communicated her views.

Count Cassini, Russian ambassador, last night said:

"I can announce that I have very good reason to believe that my government's emphatic opposition to any mediation at this time will be respected and observed by all neutral powers."

Of the suggestion made in Great Britain that the United States take the lead in a move for intervention, the ambassador hesitated to repeat what he has announced so many times, that he has positive assurance that this government, while at all times ready to offer its services, has not the slightest intention to take a step toward mediation unless invited by both belligerents.

TALK OF INTERVENTION.

Said in London That Steps May Be
Taken to End Far Eastern War.

London, Nov. 11.—Japan unofficially has made representations to Russia looking to peace. This action has resulted in failure and such representations, even privately, are not likely to be repeated by the Japanese.

Although the suggestion of a pacific settlement was made unofficially, it actually had behind it all the weight of an offer by the Japanese government. No power acted as an intermediary. The proposition was put forward tentatively and unofficially so that the Japanese government would be in a position to deny any report that it was suing for peace. The failure of these direct negotiations, however, resulted in bringing intervention within a measurable distance. Foreign Secretary Lansdowne's plea for arbitration at the Guildhall banquet is taken here to be a pointed suggestion to the United States and France that the time is approaching when the powers must take some action. It can be definitely stated that Lord Lansdowne made his speech with full knowledge that Japan will not resent a proposition looking to peace from the three powers (the United States, France and Great Britain). There is a definite impression here that the initiative will come from President Roosevelt, though the action would be joint.

QUIET ALONG SHAKHE RIVER.

Japs Pass Away Time by Jostling Rus-
sian Riflemen.

Huansian, ten miles south of Mukden, Nov. 11.—The weather Thursday was warmer, with slight rain. Along the eighty miles constituting the front of the Russian army, everything was quiet except for occasional skirmishes and artillery duels on the center and left, where gunners fire occasionally for the sake of practice, so as to have the range should the Japanese take the offensive. Sometimes outposts indulge in fusillades. When the Japanese jocularly display a white disk indicating a miss, the Russian riflemen reply by raising a shirt on a bayonet.

The Japanese are industriously continuing work under the cover of darkness, digging immense ditches, into which to deflect the water of the Shakhe river.

STOESSEL ASKS ARMITICE.

Object of Russian General's Request
of Japanese Not Known.

Tokio, Nov. 11.—It is reported that General Stoessel, commanding at Port Arthur, has asked the Japanese for an armistice, the purpose of which is not stated. A confirmation of the report is unobtainable.

It is hoped here that General Stoessel will capitulate before the city proper is taken. The Japanese soldiers are angry and inflamed on account of the alleged abuse of their wounded by the Russians. They believe they will be murdered if captured. Under these conditions it will possibly be difficult to avoid a massacre when the troops meet in the final combat.

The result of the election does not seem to appease the wrath of the Minneapolis Journal. Most people could afford to be generous after a victory like that of Tuesday.

The organization of the house and senate will be the next exciting political move on the board, and already the candidates for the various positions are getting actively at work securing pledges.

FOOT BALL, the war in the orient and other important matters will now receive their just recognition in the news columns of the press of the country. The election is over if anyone should ask you.

The next Minnesota house will consist of 107 republicans and 12 democrats, three of the democrats being from St. Paul and two from Minneapolis. The senate will be as before, 52 republicans and 11 democrats, the only senator elected being in this district where John T. Prater succeeds the late A. F. Ferris. The minority party will have but 22 out of 182 members on joint ballot.

Now will come the struggle for appointment to state positions. It has been four years since the Lind administration and the appetite of those who itch for office and are only recognized under a democratic administration is fierce. And here is where the trouble will arise, for the republican element that voted for Johnson and made his election certain are going to claim their reward and there are not enough places to go around. Democrats will protest when they have to stand aside for some of the wheel horses of the G. O. P.

STOVE SALE

This will be the First Genuine Great Stove Sale ever held in Brainerd; the particular difference between this sale and the many other sales going on at the present time, is that we do not oblige you to pay spot cash to get the benefit of it.

We have fifty-one different kinds of Heaters and six varieties of Ranges and we have to keep about five hundred stoves on hand to back up these samples, and our store is so

crowded with goods that we haven't room even to show such a large variety of samples.

What we want to do this fall is to close out this entire stock so as to start in next season with a smaller variety and consequently smaller stock. We would rather sell all of these stoves on the installment plan than to sell only part of them for cash and carry the balance over another year, and we would rather you would have the use and comfort of a

good Heater or Range and pay for it at your convenience than to keep them in our warehouse where they are doing no one any good.

It is rather an unusual proceeding to offer goods on the installment plan at a closing out sale, therefore we have explained our reasons as above, to convince you that we mean business.

Come in and see what Bargains we have to offer is all we ask.

BAD MIXUP AT ST. CLOUD

Postmaster H. G. Wire, of St. Cloud, As-
saulted Thomas Scallion and Latter
was Unconscious for Days

There has been rather sensational times at St. Cloud the past few days over a bad mixup in which four prominent citizens were involved. The gentlemen whose names have been mentioned in connection with the affair are Postmaster H. G. Wire, Editor Frank Zins, of Der Nordstern, Thomas Scallion, proprietor of the Merchants hotel and Dr. J. B. Dunn.

According to reports the row occurred in a saloon where Mr. Wire and Mr. Scallion were in the act of making a bet last Monday night on the probable outcome of the election. They bet \$100 each and Scallion is said to have put up his check for \$100. Wire protested and demanded of the stakeholder that Scallion put up the money or else he would call the bet off. The stakeholder seemed to think the check was o. k. and started to walk off, whereupon Mr. Wire intervened and the row started. Scallion stepped in and Wire is said to have given him a terrible trouncing. Dr. Dunn and Frank Zins were present and tried to separate the men, but Wire was too much for the whole four and they to were badly injured. Scallion was unconscious from that time until yesterday morning, and his chances for recovery are said to be doubtful. The Journal Press in speaking of the matter says:

"Thomas Scallion, who was assaulted by H. G. Wire Monday night, was reported as a little better today. He has regained consciousness, but is unable to speak. Paralysis has set in as a result of a clot on the brain. But one side is affected, however, and he may recover from this. It is understood that Mrs. Scallion has notified President Roosevelt of the affair and even if the matter does not get into the courts it is liable to have an official airing at Washington. The physicians in attendance consider Scallion out of danger unless new complications set in."

DON'T LEAVE THE CITY

Plenty of Proof Right Here in Brainerd.

Claim is one thing, proof another. Columbus claimed the world was round.

Did people believe it? Not until he proved it.

Unproven claims have made the people skeptics.

Every claim made for the "Little Conquerer" is proven.

Proven in Brainerd by local experience.

Here is one case from the many we have.

Mrs. J. H. Zellers, of 63 Main St., says: "I believe that after what Doan's Kidney Pills did for me they will help anyone similarly troubled. Before using them I suffered for six months from my kidneys. There was a miserable feeling of pressure over those organs and the secretions were scanty. Besides this there was a heavy pain across the small of my back. A box of Doan's Kidney Pills were gotten at the nearest drug store as I was glad to try anything to obtain relief. I took the pills and really they acted like a charm. I can truthfully say that I have not a symptom since. In my old condition I could not do a half day's work without my back giving me no end of trouble."

Sold for 50 cents a box by H. P. Dunn & Co. and all druggists. Foster Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name—Doan's—and take no substitute.

MUSIC AND DRAMA.

"YON YONSON."

When "Yon Yonson" shows in this city at the Brainerd opera house on Thursday, Nov. 17, what is without doubt an evenly balanced company will be introduced by Manager P. J. Kennedy. This worker in the theatrical field selected the "Yon Yonson" players with regard to their fitness to look, dress and portray the many amusing characters in the late Gus Reege's masterpiece. The performances are all under the personal direction of the owner and manager and are therefore certain to be kept up well. It is also certain that this season's company excels, in some details, any which has heretofore appeared in the quaint roles. Players in last season's company who made the greatest individual hits have been retained and new ones added to make the ensemble as nearly perfect as possible. At the head of this company are Charles A. Boyd and Elizabeth B. Chester, than whom there are no more competent people in their roles. There are other popular men and women players, quite a number of refined specialties, much good music and beautiful scenic costume accessories. There is also the "Lumbermen's Quartette" which has made such a hit throughout the country in past seasons.

"SIS HOPKINS" LAST NIGHT
Miss Rose Melville in "Sis Hopkins" was accorded a royal welcome at the Brainerd opera house last night, when she appeared for the second time in this city. She is supported this year by equally as good a cast as the one that was here last year and in some regards some think it was better. The performance throughout was of the high class order and everyone went away well satisfied.

stead for the Quarter

There was a meeting of the board of education at the Washington school building last night with President Johnson in the chair. The following members were present: Mahlum, Halladay, Erickson, Congdon, Hemstead and Hohman.

The report of Supt. Hartley, of the board of education, was received and it was read with considerable interest as the remarks made by the superintendent called attention to the fact that it was the best report in a long time. The number of pupils in actual daily attendance during the month was 1944. The average daily attendance was 1972 and the number of pupils now in attendance is 1998. The number of pupils registered up to the present time since the first of the school year is 2058. The report was on motion accepted and filed.

The report of the superintendent on the sale of text books was also received and was filed.

Thos. Halladay, chairman of the committee on fire protection, referred the matter of procuring apparatus back to the board. The report was accepted and the committee was ordered discharged.

On motion the building committee was empowered to repair the fence between the Harrison school building and the M. Wicklund property.

The report of Treasurer Werner Hemstead was received. It showed receipts amounting to \$8,809.13 for the quarter ending October 31. The balance on hand in the sinking fund was \$6,322.26.

BAD MIXUP AT ST. CLOUD

Postmaster H. G. Wire, of St. Cloud, As-
saulted Thomas Scallion and Latter
was Unconscious for Days

There has been rather sensational
times at St. Cloud the past few days
over a bad mixup in which four promi-
nent citizens were involved. The gen-
tlemen whose names have been men-
tioned in connection with the affair are
Postmaster H. G. Wire, Editor Frank
Zins, of Der Nordstern, Thomas Scallion,
proprietor of the Merchants hotel and
Dr. J. B. Dunn.

According to reports the row occurred
in a saloon where Mr. Wire and Mr.
Scallion were in the act of making a bet
last Monday night on the probable out-
come of the election. They bet \$100
each and Scallion is said to have put up
his check for \$100. Wire protested and
demanded of the stakeholder that Scallion
put up the money or else he would
call the bet off. The stakeholder
seemed to think the check was o. k. and
started to walk off, whereupon Mr. Wire
intervened and the row started. Scallion
stepped in and Wire is said to have
given him a terrible trouncing. Dr.
Dunn and Frank Zins were present and
tried to separate the men, but Wire was
too much for the whole four and they
to were badly injured. Scallion was un-
conscious from that time until yester-
day morning, and his chances for re-
covery are said to be doubtful. The
Journal Press in speaking of the mat-
ter says:

"Thomas Scallion, who was assaulted
by H. G. Wire Monday night, was re-
ported as a little better today. He has
regained consciousness, but is unable to
speak. Paralysis has set in as a result
of a clot on the brain. But one side is
affected, however, and he may recover
from this. It is understood that Mrs.
Scallion has notified President Roose-
velt of the affair and even if the matter
does not get into the courts it is liable
to have an official airing at Washington.
The physicians in attendance consider
Scallion out of danger unless new com-
plications set in."

NOT UNTIL BOOKS ARE INSTALLED

The New Library Building Almost Ready,
but Will Not Be Dedicated Until the
Books are all in.

Although the new public library is
about completed the regular opening,
when it is expected there will be ap-
propriate dedicatory services, will not
occur until all the books are in and ar-
ranged. The board has ordered a large
number of new books and they expect
to have them here in a short time.

Mr. I. Kraywitz representing A. Zek-
man manufacturing furrier, of Minne-
apolis, is not a stranger in this city,
neither are Zekman's furs. They are
known all over the state for their quality
and durability. Mr. Kraywitz will be
here with a full line of ladies' fur jack-
ets, scarfs and coats. Gentleman's fur
lined coats. Remember the dates, 3
days this week, Nov. 10th, 11th and 12th, at

Plenty of Proof Right Here in Brainerd.

Claim is one thing, proof another.
Columbus claimed the world was

Did people believe it? Not until he

Unproven claims have made the people
skeptics.

Proven in Brainerd by local exper-

Here is one case from the many we
have.

"Mrs. J. H. Zellers, of 63 Main St., says:
"I believe that after what Doan's Kid-
ney Pills did for me they will help any-
one similarly troubled. Before using
them I suffered for six months from my
kidneys. There was a miserable feeling
of pressure over those organs and the
secretions were scanty. Besides this
there was a heavy pain across the small
of my back. A box of Doan's Kidney
Pills were gotten at the nearest drug
store as I was glad to try anything to
obtain relief. I took the pills and really
they acted like a charm. I can truth-
fully say that I have not a symptom
since. In my old condition I could not
do a half day's work without my back
giving me no end of trouble."

THREE PERISH BY FIRE

NEARLY FIFTY OTHERS OVERCOME BY SMOKE IN GREATER NEW YORK.

MANY RENDERED HOMELESS

TWO OF THE FIRES THOUGHT TO HAVE BEEN STARTED BY INCENDIARIES.

New York, Nov. 11.—Three persons lost their lives, twenty others were injured, nearly half a hundred more were overcome by smoke and an equal number are temporarily homeless as a result of a series of fires in various parts of the greater city Thursday. In nearly every case the fires were in tenement houses occupied by a large number of families and at least two of them are thought to have been started by incendiaries.

Life nets, scaling ladders and other apparatus enabled the firemen to save many persons whose escape had been cut off by flames and choking smoke.

Nearly all the fires started in the lower parts of the buildings and although in no case did the money loss exceed a few thousand dollars, the clouds of smoke which swept up through elevator shafts and halls drove the panic-stricken tenants to roofs and fire escapes. Many were overcome before reaching the outer air, but with the exception of three all were found by firemen and carried out in safety.

MYSTERY IN CALIFORNIA.

Three Persons Perish by Fire Under Mysterious Circumstances.

Auburn, Cal., Nov. 11.—The handsome house of Julius Weber was burned Thursday night and Mrs. Weber, Miss Bertha Weber and Master Paul Weber perished in the flames. It is thought that the body of Mr. Weber will be found in the debris. Suspicious looking wounds were found on the little boy in the shape of cuts on the head and a bullet wound was found in the mother's breast and there was blood on her clothing. Miss Weber's body was much burned but no wounds were visible. If the husband and father was burned, no one is left to tell the tale, as the only other surviving member of the family, Adolph Weber, aged twenty, was not home.

ENDS IN A DOUBLE TRAGEDY.

Husband and Wife Suicide After a Quarrel.

New York, Nov. 11.—Because her husband had reproved her, Mrs. Katherine Green is dead at her own hands in Brooklyn, while the husband is dangerously wounded in a hospital, having shot himself when he saw the result of his words with his wife. George Green had criticised his wife for going out walking with another man, and without saying a word, she shot herself through the heart. Overcome with horror, the husband picked up the same revolver and shot himself.

KAISER WILL BE LENIENT.

Will Use Pardon Power Liberally in Lese Majeste Cases.

Berlin, Nov. 11.—It is announced that Emperor William has decided hereafter to use the pardoning power liberally in cases of lese majeste. This is a radical departure from the previous practice. It had heretofore been practically unknown for the emperor to pardon a person convicted of this offense. It is said now he intends to pardon almost without exception when the offender is shown to belong to the uneducated class or to be incapable of weighing the consequences of a hasty word. Offenses committed during discussions or while in an excited condition will constitute a basis for a pardon as also will penitence.

STATISTICS ON CORN CROP.

Average Yield in 1904 Greater Than That of 1903.

Washington, Nov. 11.—Preliminary returns to the chief of the bureau of statistics of the department of agriculture on the production of corn in 1904 indicate a total yield of about 2,453,000,000 bushels, or an average of 26.7 bushels per acre, as compared with an average yield of 25.5 bushels per acre in 1903.

The general average as to quality is 86.2 per cent, as compared with 83.1 last year, 80.7 in 1902 and 73.7 in 1901.

It is estimated that about 4.6 per cent of the corn crop of 1903 was still in the hands of the farmers on November 1, 1904.

JUDGE PARKER'S FUTURE PLANS.

Defeated Candidate Will Return to the Law Business.

New York, Nov. 11.—Alton B. Parker came to New York city from Eopos Thursday. He is quoted as saying to friends on the train:

"Of course I am going to return to the law business. I have several engagements under consideration, but I have made no decision yet. It may be that I shall first take a holiday trip, not for myself, for I don't feel the need of any; but for the benefit of Mrs. Parker."

On his arrival here he went to the Manhattan club for a chat with friends.

ALEXIEFF AT ST. PETERSBURG.

Viceroy of the Far East Returns to Russian Capital.

St. Petersburg, Nov. 11.—Admiral Alexieff, viceroy in the far East, arrived in St. Petersburg Thursday evening. In anticipation of his arrival the Nevsky Prospekt was crowded with sightseers, but access to the railway platform was restricted to officers and newspaper correspondents.

When a man of short, stout figure and bronzed visage emerged from a car of the special train which had brought him from Mukden, Alexieff was immediately surrounded by old comrades. Amid cheers and handshaking, the viceroy stepped into the imperial carriage and drove off to the winter palace, where apartments had been prepared for him in the wing formerly occupied by Alexander III, but, as Czar Nicholas was not in St. Petersburg, Alexieff did not stop at the palace, going instead to the Hotel Europe.

MAY BE RUSSIAN DEFENSE.

Two Ships of Baltic Squadron Fired Upon by Mistake.

New York, Nov. 11.—The Herald's St. Petersburg correspondent cables: A letter from the captain of the Russian cruiser Aurora to his wife sheds new light on the North sea tragedy. His ship and another suffered from the fire of the Russian squadron through a misunderstanding of signals. The ships had strayed from their course. This may be the Russian defense.

ARRIVE IN SUDA BAY.

Vessels of Russia's Baltic Fleet in the Cretan Port.

Canea, Island of Crete, Nov. 11.—The battleship Sissoi Veliki, with Vice Admiral Voelkersam aboard, and the battleship Navarin, cruisers Izumrud and Almaz, a number of torpedo boats and transports and the volunteer steamer Yaroslav of the Russian Baltic squadron have arrived in Suda bay.

REPULSED WITH HEAVY LOSSES.

Russians Make Several Futile Attacks Upon Jap Positions.

London, Nov. 11.—The Daily Telegraph's correspondent with General Oku cables under date of Nov. 9: "Last night the Russians made several determined attacks upon Lamuting and Sinchingpu, but were repulsed with heavy losses. The artillery laid the villages in ruins."

TO VISIT EXPOSITION

PRESIDENT ROOSEVELT WILL ATTEND WORLD'S FAIR AT ST.

LOUIS ON NOV. 26.

Washington, Nov. 11.—President Roosevelt has promised to attend the Louisiana Purchase exposition on Saturday, Nov. 26. He made this promise Thursday night to a committee from St. Louis headed by Mayor Wells, who came to Washington especially for the purpose of inviting him to visit the fair. The probability is the president may remain in St. Louis until the night of Sunday, Nov. 27.

President Roosevelt has been anxious to go to St. Louis to see the fair ever since its opening. However the presidential campaign impelled him to remain in the East and in August he so informed Mr. H. W. Thompson, the secretary of the exposition. The St. Louis committee remained with President Roosevelt half an hour and each member of the committee urged upon him an acceptance of the invitation, impressing upon him the appropriateness of a visit by the chief magistrate of the nation and the gratitude which would be felt by the people of St. Louis if he could possibly arrange to do so. The president, after looking over his engagements for the remainder of the month set Saturday, Nov. 26, as the most suitable time available.

It is expected that the president and those who accompany him will leave here on Thanksgiving night and will reach St. Louis early Saturday morning. The invitation to Mr. Roosevelt, it is understood, is comprehensive enough to include any other persons whom he may wish to have with him and some of the members of the cabinet are likely to accompany him. The members of the committee are highly elated with the promptness with which Mr. Roosevelt decided to visit the fair. They believe the day of his visit will be one of the banner days, if not the banner day, of the exposition's history. They say that arrangements will immediately be made for a fitting programme for that day, the chief feature of which will be a thorough inspection of the buildings and grounds of the great fair, with such other appropriate exercises as befits the presence of the chief executive of the nation.

LARGE SHORTAGE REPORTED.

Bondsmen Investigate Accounts of an Arizona County Treasurer.

Prescott, Ariz., Nov. 11.—Immediately after the announcement of last Wednesday that County Treasurer Storm had been bound, gagged and robbed, his bondsmen took possession of the office and behind locked doors were engaged until late Thursday investigating the officer's accounts. Upon concluding the investigation at night it was announced that there was a shortage in the treasury amounting to \$15,836.

The bondsmen have offered a reward of \$1,000 for the arrest and conviction of any person or persons who robbed the county treasurer's office.

ILL FEELING DISAPPEARING.

Panamans Will Give Taft a Cordial Welcome.

Panama, Nov. 11.—Any ill feeling that may have existed between Panama and the United States on account of differences over the canal zone affairs seems to be disappearing. Panamans are preparing to celebrate the arrival of Secretary of War Taft, who with his friends, it is the desire of this government, will be the guests of the republic during their stay.

DESPITE THE PRIMARY LAW.

Democrats of Wisconsin Will Hold a State Convention.

Milwaukee, Nov. 11.—Despite the adoption of the primary election law, Democrats of Wisconsin will hold a state convention in 1906.

Chairman A. F. Warden of the Democratic state central committee was emphatic in his statement to this effect Thursday.

"If I live to do it," he said, "the convention will be called just the same as it always has been brought together."

The plan which will be adopted by the Democrats is to call a convention during the summer, before the time for circulating the petitions under the primary election law. The convention will proceed as usual and nominate its list of candidates for state offices. Probably a platform will be adopted. Then the petitions required by law to secure a place on the primary election ballot will be circulated by the state central committee and when the primary election day arrives the list made up by the convention will represent the Democratic primary ballot.

"We do not intend in this matter to test the primary law or take the question into the courts."

ARGUMENT IS CONCLUDED.

Federal Court Takes Northern Securities Case Under Advisement.

Philadelphia, Nov. 11.—Argument was concluded before Judges Acheson, Dallas and Gray in the United States court of appeals Thursday in the case of the appeal of the Northern Securities company from the injunction granted by the United States district court of New Jersey restraining the distribution pro rata of the stock acquired by the merger three years ago. D. T. Watson and W. D. Guthrie argued for the appellees, who include E. H. Harriman, Winslow S. Pierce, the Oregon Short Line Railroad company and the Equitable Trust company of New York.

John G. Johnson of Philadelphia concluded the argument for the appellants. Former Secretary of War Elihu Root opened the argument for the appellants Wednesday. The court held the case under advisement and adjourned until Monday.

BENEFICIARY IN A WILL.

Judge Parker Receives a Valuable Decanter and Wine Glasses.

Kingston, N. Y., Nov. 11.—Judge Alton B. Parker, his wife and his daughter, Mrs. Hall, are named as beneficiaries in the will of Mrs. Margaret E. Hess, which was filed for probate in the surrogate's court Thursday. Mrs. Hess, who was a prominent social leader, named 190 beneficiaries in her will, most of whom received articles which she prized highly. Mr. Parker receives a valuable decanter and set of wine glasses.

Cruiser Columbia Ashore.

Pensacola, Fla., Nov. 11.—The cruiser Columbia, which is to convey Secretary of War Taft and his party to Panama, went ashore last night in Pensacola harbor. It is expected she will be floated without injury at high tide.

THREE PERISH BY FIRE

NEARLY FIFTY OTHERS OVER-
COME BY SMOKE IN GREAT-
ER NEW YORK.

MANY RENDERED HOMELESS

TWO OF THE FIRES THOUGHT TO
HAVE BEEN STARTED BY
INCENDIARIES.

New York, Nov. 11.—Three persons lost their lives, twenty others were injured, nearly half a hundred more were overcome by smoke and an equal number are temporarily homeless as a result of a series of fires in various parts of the greater city Thursday. In nearly every case the fires were in tenement houses occupied by a large number of families and at least two of them are thought to have been started by incendiaries.

Life nets, scaling ladders and other apparatus enabled the firemen to save many persons whose escape had been cut off by flames and choking smoke.

Nearly all the fires started in the lower parts of the buildings and although in no case did the money loss exceed a few thousand dollars, the clouds of smoke which swept up through elevator shafts and halls drove the panic-stricken tenants to roofs and fire escapes. Many were overcome before reaching the outer air, but with the exception of three all were found by firemen and carried out in safety.

MYSTERY IN CALIFORNIA.

Three Persons Perish by Fire Under Mysterious Circumstances.

Auburn, Cal., Nov. 11.—The handsome house of Julius Weber was burned Thursday night and Mrs. Weber, Miss Bertha Weber and Master Paul Weber perished in the flames. It is thought that the body of Mr. Weber will be found in the debris. Suspicious looking wounds were found on the little boy in the shape of cuts on the head and a bullet wound was found in the mother's breast and there was blood on her clothing. Miss Weber's body was much burned but no wounds were visible. If the husband and father was burned, no one is left to tell the tale, as the only other surviving member of the family, Adolph Weber, aged twenty, was not home.

ENDS IN A DOUBLE TRAGEDY.

Husband and Wife Suicide After a Quarrel.

New York, Nov. 11.—Because her husband had reproved her, Mrs. Katherine Green is dead at her own hands in Brooklyn, while the husband is dangerously wounded in a hospital, having shot himself when he saw the result of his words with his wife. George Green had criticized his wife for going out walking with another man, and without saying a word, she shot herself through the heart. Overcome with horror, the husband picked up the same revolver and shot himself.

KAISER WILL BE LENIENT.

Will Use Pardon Power Liberally in Lese Majeste Cases.

Berlin, Nov. 11.—It is announced that Emperor William has decided hereafter to use the pardoning power liberally in cases of lese majeste. This is a radical departure from the previous practice. It had heretofore been practically unknown for the emperor to pardon a person convicted of this offense. It is said now he intends to pardon almost without exception when the offender is shown to belong to the uneducated class or to be incapable of weighing the consequences of a hasty word. Offenses committed during discussions or while in an excited condition will constitute a basis for a pardon as also will penitence.

STATISTICS ON CORN CROP.

Average Yield in 1904 Greater Than That of 1903.

Washington, Nov. 11.—Preliminary returns to the chief of the bureau of statistics of the department of agriculture on the production of corn in 1904 indicate a total yield of about 2,453,000,000 bushels, or an average of 26.7 bushels per acre, as compared with an average yield of 25.5 bushels per acre in 1903.

The general average as to quality is 86.2 per cent, as compared with 83.1 last year, 80.7 in 1902 and 73.7 in 1901.

It is estimated that about 4.6 per cent of the corn crop of 1903 was still in the hands of the farmers on November 1, 1904.

JUDGE PARKER'S FUTURE PLANS.

Defeated Candidate Will Return to the Law Business.

New York, Nov. 11.—Alton B. Parker came to New York city from Eopos Thursday. He is quoted as saying to friends on the train:

"Of course I am going to return to the law business. I have several engagements under consideration, but I have made no decision yet. It may be that I shall first take a holiday trip, not for myself, for I don't feel the need of any; but for the benefit of Mrs. Parker."

On his arrival here he went to the Manhattan club for a chat with friends.

ALEXIEFF AT ST. PETERSBURG.

Viceroy of the Far East Returns to Russian Capital.

St. Petersburg, Nov. 11.—Admiral Alexieff, viceroy in the far East, arrived in St. Petersburg Thursday evening. In anticipation of his arrival the Nevsky Prospekt was crowded with sightseers, but access to the railway platform was restricted to officers and newspaper correspondents.

When a man of short, stout figure and bronzed visage emerged from a car of the special train which had brought him from Mukden, Alexieff was immediately surrounded by old comrades. Amid cheers and hand-shaking, the viceroy stepped into the imperial carriage and drove off to the winter palace, where apartments had been prepared for him in the wing formerly occupied by Alexander III., but, as Czar Nicholas was not in St. Petersburg, Alexieff did not stop at the palace, going instead to the Hotel Europe.

MAY BE RUSSIAN DEFENSE.

Two Ships of Baltic Squadron Fired Upon by Mistake.

New York, Nov. 11.—The Herald's St. Petersburg correspondent cables: A letter from the captain of the Russian cruiser Aurora to his wife sheds new light on the North sea tragedy. His ship and another suffered from the fire of the Russian squadron through a misunderstanding of signals. The ships had strayed from their course. This may be the Russian defense.

London, Nov. 11.—The Daily Telegraph's correspondent with General Oku cables under date of Nov. 9: "Last night the Russians made several determined attacks upon Lamuting and Sinchingpu, but were repulsed with heavy losses. The artillery laid the villages in ruins."

TO VISIT EXPOSITION

PRESIDENT ROOSEVELT WILL AT-
TEND WORLD'S FAIR AT ST.

LOUIS ON NOV. 26.

Washington, Nov. 11.—President Roosevelt has promised to attend the Louisiana Purchase exposition on Saturday, Nov. 26. He made this promise Thursday night to a committee from St. Louis headed by Mayor Wells, who came to Washington especially for the purpose of inviting him to visit the fair. The probability is the president may remain in St. Louis until the night of Sunday, Nov. 27.

President Roosevelt has been anxious to go to St. Louis to see the fair ever since its opening. However the presidential campaign impelled him to remain in the East and in August he so informed Mr. H. W. Thompson, the secretary of the exposition.

The St. Louis committee remained with President Roosevelt half an hour and each member of the committee urged upon him an acceptance of the invitation, impressing upon him the appropriateness of a visit by the chief magistrate of the nation and the gratitude which would be felt by the people of St. Louis if he could possibly arrange to do so. The president after looking over his engagements for the remainder of the month set Saturday, Nov. 26, as the most suitable time available.

It is expected that the president and those who accompany him will leave here on Thanksgiving night and will reach St. Louis early Saturday morning. The invitation to Mr. Roosevelt, it is understood, is comprehensive enough to include any other persons whom he may wish to have with him and some of the members of the cabinet are likely to accompany him.

The members of the committee are highly elated with the prospect with which Mr. Roosevelt decided to visit the fair. They believe the day of his visit will be one of the banner days, if not the banner day, of the exposition's history. They say that arrangements will immediately be made for a fitting programme for that day, the chief feature of which will be a thorough inspection of the buildings and grounds of the great fair, with such other appropriate exercises as befits the presence of the chief executive of the nation.

LARGE SHORTAGE REPORTED.

Bondsmen Investigate Accounts of an Arizona County Treasurer.

Prescott, Ariz., Nov. 11.—Immediately after the announcement of last Wednesday that County Treasurer Storm had been bound, gagged and robbed, his bondsmen took possession of the office and behind locked doors were engaged until late Thursday investigating the officer's accounts. Upon concluding the investigation at night it was announced that there was a shortage in the treasury amounting to \$15,836.

The bondsmen have offered a reward of \$1,000 for the arrest and conviction of any person or persons who robbed the county treasurer's office.

ILL FEELING DISAPPEARING.

Panamans Will Give Taft a Cordial Welcome.

Panama, Nov. 11.—Any ill feeling that may have existed between Panama and the United States on account of differences over the canal zone affairs seems to be disappearing. Panamans are preparing to celebrate the arrival of Secretary of War Taft, who with his friends, it is the desire of this government, will be the guests of the republic during their stay.

DESPITE THE PRIMARY LAW.

Democrats of Wisconsin Will Hold a State Convention.

Milwaukee, Nov. 11.—Despite the adoption of the primary election law, Democrats of Wisconsin will hold a state convention in 1906.

Chairman A. F. Warden of the Democratic state central committee was emphatic in his statement to this effect Thursday.

"If I live to do it," he said, "the convention will be called just the same as it always has been brought together."

"The plan which will be adopted by the Democrats is to call a convention during the summer, before the time for circulating the petitions under the primary election law. The convention will proceed as usual and nominate its list of candidates for state offices. Then the petitions required by law to secure a place on the primary election ballot will be circulated by the state central committee and when the primary election day arrives the list made up by the convention will represent the Democratic primary ballot."

"We do not intend in this matter to test the primary law or take the question into the courts."

ARGUMENT IS CONCLUDED.

Federal Court Takes Northern Securities Case Under Advisement.

Philadelphia, Nov. 11.—Argument was concluded before Judges Acheson, Dallas and Gray in the United States court of appeals Thursday in the case of the appeal of the Northern Securities company from the injunction granted by the United States district court of New Jersey restraining the distribution pro rata of the stock acquired by the merger three years ago. D. T. Watson and W. D. Guthrie argued for the appellees, who include E. H. Harriman, Winslow S. Pierce, the Oregon Short Line Railroad company and the Equitable Trust company of New York.

John G. Johnson of Philadelphia concluded the argument for the appellants. Former Secretary of War Elihu Root opened the argument for the appellants Wednesday. The court held the case under advisement and adjourned until Monday.
